### SIX WEEK (all breed) TRAINING COURSE

Whether you want just a well behaved pet or a highly trained dog for competition, the **Six Week Training Course** for puppies is your first step to training your dog correctly and in an environment where you will be shown how to train your dog using kind and sympathetic methods.

Our class is part of the **National Dog Training Scheme** and over the weeks of the course you will learn how to teach your puppy to be sociable around people and other dogs, to walk correctly on the lead, to sit, lie down, stay and come back when called. Once your puppy, or older dog if you are training for the first time, can do all the exercises confidently you will be awarded the **Basic Certificate**.

Whatever you want from your puppy, the club with its skilled and experienced trainers is here to help—don't be afraid to ask.

#### **COURSE A**

8.00pm—8.45pm**

This is for puppies between the ages of 12 and 20 weeks. It is a socialisation course for young puppies, offering a first insight into training in a relaxed atmosphere with puppies of a similar age. The training is focussed on play with no pressure placed on the puppies. General help and advice are also given to owners of new puppies.
